

HR-UK  
Heart Rhythm UK

**Papworth Hospital**  
NHS Foundation Trust

HR-UK invites you to an exciting day dedicated to a common but poorly understood arrhythmia.....and it is not atrial fibrillation!

## **Atrioventricular Nodal Reentrant Tachycardia Study Day**

**The Møller Centre, Cambridge**

**Friday 12<sup>th</sup> June, 2009**

Organisers: Dr. Tim Betts, Dr. Derick Todd, Dr. Simon Fynn

### **PRELIMINARY PROGRAMME**

***Registration (8.30 – 9am)***

#### **Morning Session (9am – 12.30pm)**

- Cardiac Anatomy Karen McCarthy
- EP differential diagnosis of AVNRT Francis Murgatroyd
- Video presentations of cases Betts / Todd / Fynn
- Radiofrequency vs. Cryoablation Tim Cripps
- Pearls and Pitfalls of AVNRT ablation Yaver Bashir

#### ***Lunch***

#### **Afternoon Session (1.30 – 4.30pm)**

- Management of AVNRT in children Graham Stuart
- Management of AVNRT in the elderly Tim Betts
- Variants and controversies in AVNRT Simon Fynn
- Ablation of left-sided AVNRT Neil Davidson  
Derick Todd
- Difficult / unusual cases - *presentations*
- AVNRT ablation – the UK experience Mike Griffith

Catheter ablation of AVNRT can often be routine. However, there is much we do not understand about this arrhythmia and the management may be difficult.

The programme for this day includes talks, discussion and video presentations of real-life cases performed by electrophysiologists from high volume centres.

This day will be of great value to EP Consultants, Fellows, SpRs, Arrhythmia Nurses and Cardiac Technicians.

**Consultants and EP trainees are encouraged to present interesting cases of AVNRT. Please send an overview of the case to [simon.fynn@papworth.nhs.uk](mailto:simon.fynn@papworth.nhs.uk) by Friday 5<sup>th</sup> June.**

Those selected will be asked to give a brief presentation and will receive free registration to the day.

Registration fee £70  
Accommodation available at The Møller Centre - £87 B&B
