

Southampton University Hospital Trust invite you to:

Fundamentals of ICD Implantation and Introduction to CRT-D

Thursday 9th to Friday 10th of July 2009 - Wessex Heartbeat Suite Southampton University Hospital, UK

Are you new to ICD implantation? Have you just started to implant ICDs?

Attend this 2-day course with interactive sessions, and share experience with an international audience!

Lectures, live implantations and hands-on programming sessions performed by **Prof. J.M. Morgan, Dr P.R. Roberts** and their team.

To book your place on these study days please either ask your representative or contact Elspeth Hopson at Sorin Group office on 01452 638500 or at uk.training@sorin.com

These study days are supported by an educational grant from Sorin Group.

The "Fundamentals of ICD implantation and Introduction to CRT-D" meeting is accredited by the European Board for Accreditation in Cardiology (EBAC) for 10 hours of External CME credits. Each participant should claim only those hours of

credit that have actually been spent in the educational activity. EBAC works in cooperation with the European Accreditation Council for Continuing Medical Education (EACCME), which is an institution of the European Union of Medical Specialists (UEMS).
