

11<sup>TH</sup> PCCS ANNUAL SCIENTIFIC MEETING & AGM

# Cardiovascular Disease and Deprivation

THE CROWNE PLAZA HOTEL, TRINITY STREET, CHESTER, CH1 2BD

THURSDAY 25<sup>TH</sup> - SATURDAY 27<sup>TH</sup> SEPTEMBER 2008

## Cardiovascular Disease and Deprivation

*open to all clinicians, GPs, practice nurses, managers and commissioners*

The opening session on Friday promises to be one of the highlights of the meeting. Senior public figures and leading clinicians will define deprivation as it relates to cardiovascular disease from a range of perspectives. Introduced by Chris Ruane MP, Chairman of the All Party Parliamentary Group for Heart Disease, and chaired by Dr Bill Kirkup, deputy Chief Medical Officer, our panel will include Professor Roger Boyle, National Director for CHD and Stroke, Professor David Colin-Thome, National Director for Primary Care, Dr Paul MacIntyre, Chair of the National Advisory Committee for CHD in Scotland, Dr Kiran Patel, Chairman of the South East Asian Foundation and others.

In addition, with the focus on Cardiovascular Disease and Deprivation, the programme will include themed plenary sessions, topical clinical presentations, case studies, and workshops led by experts in the field.

The meeting is open to all healthcare providers, commissioners and managers with an interest and involvement in the management of CVD disease. We urge you all to attend to promote dialogue and encourage a more integrated approach to CVD patient care. You don't need to be a PCCS member to attend, although we may encourage you to become a member at the meeting!
