

## Restart the Heart Is your community Heart Safe?

Arrhythmia Alliance is running a national campaign to place Automated External Defibrillators (AEDs) in local communities. We promote the placement of AEDs outdoors with 24hr public access so that the life saving equipment is accessible to everyone whenever it is needed.

The information you provide will be vital in mapping the location of AEDs in communities and for targeting our campaign to communities most at need. Please send completed surveys to [campaigns@stars.org.uk](mailto:campaigns@stars.org.uk) or to the address below. Thank you for your time.

### Please provide contact details:

**Name:**

**Address:**

**Postcode:**

**Telephone:**

**Email:**

**Contact name:**

---

### 1. Do you have any AEDs in your community?

- Yes
- No
- Don't know

If yes, how many? \_\_\_\_\_

### 2. If yes, do you know where these AEDs are located? (I.e. train station, leisure centre) Please tick box if the AED is outdoors and / or is available 24-hrs a day
