

### *Knitted Together!*

*There was no stopping Margaret Watts when she heard that the Heart Rhythm Charity, Arrhythmia Alliance was recruiting knitters to help knit hearts for our new knitting initiative.*

*Margaret has knitted and individually decorated an amazing 52 hearts from her home in Weymouth, Devon. The knitted hearts will be used to decorate our charity stall at Shipston on Stour's annual Wool Fair, to be held on the 30th May 2011. We will be launching our national "Knitted Together" initiative at the fair.*

*We hope the Knitted Together initiative will recruit knitters to support the charity in the future. You don't have to be part of a group or club; you can knit from the comfort of your own home and we will put you in touch with fellow knitters in your local area. We will send you free heart knitting patterns to inspire your knitting projects.*

*If you feel motivated by Margaret's efforts and you would like to join our Knitted Together initiative contact Wendy on 01789 450 787 or email [wendy.adams@heartrhythmcharity.org.uk](mailto:wendy.adams@heartrhythmcharity.org.uk).*
